

EDUCATION DEPARTMENT[281]

Adopted and Filed

Pursuant to the authority of Iowa Code section 256.7(5), the State Board of Education hereby amends Chapter 15, “Use of Online Learning and Telecommunications for Instruction by Schools,” Iowa Administrative Code.

Chapter 15 was promulgated to implement Iowa Code section 256.42, Iowa learning online initiative, and became effective January 16, 2013. Iowa Code section 256.42(7) was amended by 2016 Iowa Acts, Senate File 2200, during the 2016 session of the General Assembly. This amendment implements the changes to Iowa Code section 256.42(7).

2016 Iowa Acts, Senate File 2200, permits a school district or school to seek from the Department of Education a one-year waiver from the educational standards for high school programs in order for the school district or school to provide instruction for an offer-and-teach subject through an online course that is not available through the Iowa learning online (ILO) initiative pursuant to Iowa Code section 256.42. To qualify for such a waiver, the course content must be provided through an online learning platform by an Iowa licensed teacher with online learning experience and must be aligned with Iowa content standards. The course must be the sole course provided by the school district or school per semester under such a waiver.

An agencywide waiver provision is provided in 281—Chapter 4.

Notice of Intended Action was published in the October 12, 2016, Iowa Administrative Bulletin as **ARC 2760C**. Public comments were allowed until 4:30 p.m. on November 1, 2016. No one attended the public hearing, and no written comments were received. This amendment is identical to that published under Notice of Intended Action.

After analysis and review of this rule making, no impact on jobs has been found.

This amendment is intended to implement Iowa Code section 256.42(7) as amended by 2016 Iowa Acts, Senate File 2200.

This amendment will become effective January 11, 2017.
